

Advert-Muzak Screen Display

Advertisement-Muzak plays the voiced version of the ad. A quick glance on the AppRadio shows what the accessory is about. Tap anywhere on the screen to save, so that you can interactively visualize this accessory on your truck.

Confirmation of accessory add

Confirm save - if no response is given in 30 seconds, the save is automatically confirmed.

Interactive Accessories Visualizer - 3D multitouch

Parked Mode Saved Ads (Swipe-through)

In Parked Mode, you can swipe through your saved ads and 2-finger touch to load up an e-commerce system to buy the accessory you'd like.
