

## Summary: Social Radio Driving/Parked Features

A user experience with emphasis on driving safely, efficiency and ease of use.

Driving Mode - featuring selected Voice Commands from Social Radio (SR):

1. READ-MODE: Radio Stream of Social Network content
  - a. Stream Content Navigation "STREAM [stream playback list name]"
    - "PAUSE" - Audio playback also paused by two-finger tapping on any part of the screen. Two-finger tap again to un-pause.
    - "SKIP" - skips the current message (one-finger tap)
    - "Instant Browse" These commands pause streaming until further command
      - "Previous/Next" - plays the previous/next message in stream / "Next"
  - b. Flagging - "SAVE" - saves the message for review in parked mode
  - c. Filtering - instantly ignores posts from current thread, blocks posts from user
    - "OMIT", "EXCLUDE [username]" ("INCLUDE [username]")
  - d. Instant Threaded Conversation Management:
    - "ALERT" - responses to current conversation TTS immediately on post
    - "TRACE" - immediately filters TTS to read the last 100 chronological tweets from people in the current conversation
2. WRITE-MODE: Activated by "NEW" or "REPLY" or "ADDRESS-TO [username]"
  - a. Flow includes correction, message playback and final confirmation prompt
  - b. "SPELL [name of word in existing message]" - activates SPELL-MODE with cursor at exact misspelled word. "voice equivalent of iOS touch-hold to activate cursor"
3. The smartphone screen-input is disabled when driving.

Parked Mode:

1. Configuration and Settings
  - a. Authentication
  - b. Configuration
    - i. Exclusion-List review and editing
    - ii. Visual Cross-Social Media Playlist Creation
      - Mix different social networks into stream playback lists
      - Add users you want to listen to in a playback list
    - iii. Skin creation - Define and assign different looks
2. Msgs Flagged for "Saved for Later" (selected messages from Driving Mode)
  - a. Photostream Channels
    - i. Images/Posts with Images saved for later from Driving Mode
    - ii. (Automatic) All Posts containing images
  - b. Review/Reply Manually: Messages that you would rather manually type, or read-again without your mind on the road.
3. When parked, you may use your smartphone as a screen-input system.
